## FSMA Readiness Questionnaire Supplier Notification letter

Dear Supplier Partners,

Ferrara Candy Company is assessing the readiness of our supplier partners to meet the requirements of the Food Safety Modernization Act (FSMA). The FDA Food Safety Modernization Act was signed into law by President Obama on January 4, 2011. The completion of this survey is required from existing and new Ferrara supplier partners.

The content of the FSMA readiness questionnaire is based on Ferrara Candy Company's internal interpretation of the Current Good Manufacturing Practices, Preventive Controls, Mandatory Recall Authority, and Supply-Chain controls segments of the legislation. The FSMA readiness questionnaire will be sent to all of your facilities individually registered in ICIX. The questionnaire should be completed by the designated Preventive Controls Qualified Individual for each facility (PCQI).

The information provided in the questionnaire may require additional information requests and 2<sup>nd</sup> party audits by the Global Supplier Quality department of Ferrara Candy Company. The completed FSMA readiness questionnaire must be returned to Ferrara Candy Company by Thursday, August 25, 2016.

Thank you in advance for your time and effort to Ferrara Candy Company's commitment to Food Safety and Quality Assurance.
